*The applicant is deficient by a total of 31 parking spaces or approximately 100% pursuant to Title 19.10 requirements. The subject site is located within the Las Vegas Downtown Centennial Plan area, which is not subject to the automatic application of parking requirements. However, the above table should be used to illustrate the requirements of an analogous project in another location in the City. The analysis should take a number of factors into consideration when discussing parking availability, including pedestrian access, nearby parking structures, on-street parking, etc. There are no parking spaces on the subject site. This is a common occurrence for shops located on Fremont Street within the Fremont Street Experience area. Adequate parking is located in several parking structures within walking distance to Fremont Street.

ANALYSIS

This request is for a Special Use Permit for a proposed Beer/Wine/Cooler Off-Sale Establishment use within an existing retail store at 321 Fremont Street. The applicant indicates that they would like to sell beer and wine as an additional item within their existing store. The existing retail store is 5,000 square feet in size. The sale of individual containers of any size of beer or wine coolers is appropriate at this location. The sale of individual containers is consistent with previous approvals in the area and is a common business practice for merchants along this portion of Fremont Street.

The proposed Beer/Wine/Cooler Off-Sale Establishment requires the approval of a Special Use Permit within a C-2 (General Commercial) zoning designation. No Waivers are needed as a part of this request. The proposed Beer/Wine/Cooler Off-Sale Establishment meets all applicable Title 19, General Plan and all other applicable plans. Therefore, staff is recommending approval of the subject Special Use Permit.

- **Zoning**

This project is located within a C-2 (General Commercial) zoning district. The C-2 (General Commercial) district is designed to provide the broadest scope of compatible services for both the general and traveling public. This category allows retail, service, automotive, wholesale, office and other general business uses of an intense character, as well as mixed-use developments. This district should be located away from low and medium density residential developments and may be used as a buffer between retail and industrial uses. The C-2 (General Commercial) district is also appropriate along commercial corridors. The C-2 (General Commercial) district is consistent with the General Commercial category of the General Plan.

- **Use**

A Beer/Wine/Cooler Off-Sale Establishment is defined by Title 19 as an establishment whose license to sell alcoholic beverages is limited to the sale of beer, wine or coolers to consumers only and not for resale, in original sealed or corked containers, for the consumption off the premises where the same are sold, and is operated in connection with a grocery store, convenience store, or specialty merchandise store. Beer/Wine/Cooler Off-Sale cannot be located within 400 feet of any church, synagogue, school, childcare facility licensed for more than 12 children or City Park. The subject location does not have any of the before mentioned protected uses within the required 400-foot distance separation.

- **Minimum Special Use Permit Requirements**

1. Except as otherwise provided, no Beer/Wine/Cooler Off-Sale Establishment (hereinafter “establishment”) shall be located within 400 feet of any church, synagogue, school, child care facility licensed for more than 12 children, or City Park.
2. Except as otherwise provided in Requirement 3 below, the distance referred to in Requirement 1 shall be determined with reference to the shortest distance between two property lines, one being the property line of the proposed establishment which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed establishment. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement, the term “property line” refers to property lines of fee interest parcels and does not include the property line of:
 - a. Any leasehold parcel; or
 - b. Any parcel which lacks access to a public street or has no area for on-site parking and which has been created so as to avoid the distance limitation described in Requirement 1.
3. In the case of an establishment proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Requirement 1 shall be measured in a straight line:
 - a. From the nearest property line of the existing use to the nearest portion of the structure in which the establishment will be located, without regard to intervening obstacles; or

- b. In the case of a proposed establishment which will be located within a shopping center or other multiple-tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the establishment will be located, without regard to intervening obstacles.
- 4. When considering a Special Use Permit application for an establishment, which also requires a waiver of the distance limitation in Requirement 1, the Planning Commission shall take into consideration the distance policy and shall, as part of its recommendation to the City Council, state whether the distance requirement should be waived and the reason in support of the decision.
- 5. The minimum distance requirement in Requirement 1 do not apply to:
 - a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
 - b. A proposed establishment having more than 50,000 square feet of retail floor space.
- 6. All businesses, which sell alcoholic beverages, shall conform to the provisions of LVMC Chapter 6.50.
- 7. The minimum distance requirements set forth in Requirement 1, which are otherwise non-waivable under the provisions of Section 19.040.050(A)(4), may be waived:
 - a. In accordance with the provisions of Section 19.040.050(A)(4) for any establishment which is proposed to be located on a parcel within the Downtown Casino Overlay District;
 - b. In accordance with the applicable provisions of the "Town Center Development Standards Manual" for any establishment which is proposed to be located within the T-C (Town Center) zoning district and which is designated MS-TC (Main Street Mixed Use) in the Town Center Land Use Plan;
 - c. In connection with a proposed establishment having between 20,000 square feet and 50,000 square feet of retail floor space, if no more than 10 percent of the retail floor space is regularly devoted to the display or merchandising of alcoholic beverages; or

- d. In connection with a retail establishment having less than 20,000 square feet of retail floor space, if the area to be used for the sale, display, or merchandising of alcoholic beverages and each use to be protected are separated by a highway or a right-of-way with a width of at least 100 feet.

The proposed use is in conformance with the minimum Special Use Permit Requirements for a Beer/Wine/Cooler Off-Sale Establishment.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **“The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.”**

The proposed Beer/Wine/Cooler Off-Sale Establishment is within an existing retail store, which is adjacent to similar uses along Fremont Street. The addition of a Beer/Wine/Cooler Off-Sale Establishment use within this area is compatible with the existing and future land uses as specified by the General Plan.

2. **“The subject site is physically suitable for the type and intensity of land use proposed.”**

The subject site is currently operated as a retail store. Similar alcohol related uses are common in this area of the City. The addition of this use will not intensify the physical requirements; therefore the subject site is physically suitable to accommodate the proposed use.

3. **“Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.”**

The proposed Beer/Wine/Cooler Off-Sale Establishment use is located on Fremont Street and 4th Street which are both defined as 80-foot Secondary Collector Arterial, as defined by the Master Plan of Streets and Highways. The location of the subject site is not accessed by vehicular traffic as it is located under the Fremont Street Experience canopy. The site will be accessed primarily from pedestrian traffic.

4. **“Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.”**

The subject site is located within the Southeast Sector Plan of the General Plan. The site is zoned C-2 (General Commercial) and has a General Plan designation of C (Commercial). Beer/Wine/Cooler Off-Sale is a permitted use in the C-2 (General Commercial) district with the approval of a Special Use Permit. It will not compromise the public health, safety, and welfare or overall objectives of the General Plan.

5. **The use meets all of the applicable conditions per Title 19.04.**

The proposed Beer/Wine/Cooler Off-Sale use meets all of the applicable conditions per Title 19.04.
